"Mr Burlingame replied that this invitation on the part of the oldest and time-honored republic had awakened feelings of deep appreciation on the part of himself and associates. They jointly thanked Switzerland for offering the right hand of fellowship (!) Fancy the "associates" in the attitude of thanking Switzerland! Mr B. promised to visit Switzerland and negotiate a commercial treaty shortly. Was all this duly translated to the Associates, wonder?

Arrived at Cape or South Hope on 16th Sept., and left on 17th Sept., came to Lamback Straits on 3rd Nov. and Gilolo on 13th Dec.; had fine weather and light winds until lat. 3.30 N., long. 131° E., where had N.E. monsoon until arrival in Hongkong on 3rd January, 189 days out. In Pitt's passage spoke ship *Northfleet*, from London for Shanghai, 128 days out; also well. In Straits of Salayer spoke ship *Proteus*, from Cardiff for Hongkong; also

But this though bunkum and amusing enough, is nothing to the next item. On returning to Europe he offered it to the Italian Government to Prussia and to

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

We are naturally curious as to the precise location of this island. Is it Hongkong? or has Formosa been rediscovered by this gifted explorer. At least we trust that Mr Secretary Seward will let us know where the new acquisition lies before concluding all arrangements!

HOLLOWAY'S PILLS & OINTMENT.
HOLLOWAY'S PILLS.
THIS Medicine is universally admitted to be the most efficacious remedy known to the world. No preparation is so suitable to the climate of India and China as this fine and invigorating medicine. It is particularly adapted to the constitution of European ladies, as it is never failing in its effects in all diseases peculiar to females, while those who are attended by the debilitating effects of the above climate will find in this wonderful remedy a kind of talisman whereby they may insure a restoration to robust health.
The science of Medicine has never before produced any remedy that can be compared to this wonderful Ointment, as it cures after all other means have failed, all wounds, sores, ulcers, and also the most inveterate skin diseases peculiar to the climates of India and China. It is the true friend of the Soldier and Civilian, as certain old sores can be removed by it that cannot be conquered by any other treatment.
